***Please take time out of your busy schedule to vote.***

Dear Residents:

It is time to propose the school budget to our community. We continue to work hard at keeping the school budget costs reasonable, while at the same time making sure the children receive a program that meets our community's expectations. The annual process of creating a budget is a delicate balance between ensuring that costs are contained and approving expenses that allow the school district to maintain its outstanding reputation by providing the students educational quality.

Since 2009, the average tax levy increase has been 2.44% and an average tax rate of 2.31%. This year the anticipated tax levy is 3.3% and a tax rate of 2.83%. This increase is largely due to the cost associated with high school tuition, where our enrollment, in grades nine through twelve, is greater than previous years. It is anticipated that next year, and moving into the near future, the proposed budgets will reflect similar rates to past averages as high school enrollment begins to decline. This proposed budget only grew 3.06% over the current year's budget.

The East Moriches program is rich with academic opportunities that challenge our students and provide a solid foundation to prepare them for high school. The Board also recognizes that our staff and faculty members work diligently to create a safe and well-maintained environment in which they provide daily lessons that far exceed that of other schools. If approved, the budget provides improved fiscal stability reflected by the positive rating given by the New York State Comptroller's Office Fiscal Monitoring System. The Board is very pleased that the District's fiscal health continues to remain strong.

We wish all of our students success on the fields and in the classrooms as we plan for the upcoming school year. We hope to see you at a Board meeting or any one of the many programs and events scheduled for this spring. In closing, we would like to say thank you for your past support, and we urge you to vote on May 21<sup>st</sup> from 1:00 p.m. to 9:00 p.m. in the elementary school.

Sincerely,  
East Moriches Board of Education
